PROFILE

I am currently a hardworking and determined 3rd year Bachelor of Computing student.With a burning desire to learn and grow in my profession as well as a individual.

EMPLOYMENT HISTORY

SRC Vice President , Belgium Campus Itversity   Pretoria
Feb 2022 — Present

In my first year as an SRC member, I was the head of Clubs. Tasked to manage and run clubs in the Belgium Campus. Then in my second year as an SRC member, I was elected to be SRC Vice President Learned to manage people and manage my time. Also learned valuable skills in delegation. I

Software Intern, Sybrin Systems   Johannesburg
Sep 2023 — Sep 2023

It was voluntary vacation work. Where I was immersed in the realm of Rapid Application Development (RAD), equipping myself with the skills to utilize Sybrin's software effectively. The training covers modules such as data modeling, enterprise tools, user security, scheduler, Sybrin Reporting Service, deployment manager, and app builder.

Vacation Software Intern, BBD Software   Johannesburg
Dec 2023 — Dec 2023

During this vacation work experience we were tasked to build the Hive an application that displayed the profile BBD employs with the skills. So that they may know which clients or projects and while utilizing their skills best. Using modern HTML, CSS , TypeScript and Webpack.
